MEDICAL DEPARTMENT.

From Dr.P.Arunachalam MD. MRCP. TDD (Wales.) DMR. (Lon
Director of Medical Services, Madras 6.

To The Secretary to Government, Health Department, Madras.

Ref:110612-2-A2/52 d/22-12-52.

Sir,

Sub:-Washing charges--Government Headquarters Hospital and Lady Goschen Hospital, Mangalore--Tenders for 1953-54--Acceptance--Sanction requested.

Ref:-G.O.Ms.No.194 Health dated 21-1-1952.

I am to state that the sanction accorded in the G.O. cited for the washing of linen, by Mary D'Souza, in the Government Headquarters Hospital and the Lady Goschen Hospital, Mangalore at the rates of Rs.10/- per 100 pieces of linen and Rs.4/- per 100 yards of gauze and bandage cloth, is due to expire on 31-12-52. Sealed tenders were invited by the District Medical Officer South Kanara for washing the soiled linen of both the Hospitals for the period from 1-1-53 and 31-3-54. Only three tenders were received. Two tenders viz. Juliana D'Souza and Mary D'Souza have quoted the same rates of Rs.13/- per 100 pieces of linen and Rs.4-8-0 per 100 yards of gauze and bandage cloth, which are the lowest. The increase in the rates now offered as compared with those of the current year is reported to be due to the changed local conditions, the prominent among them being that private individuals are reluctant to entrust the washing of their clothes to the Hospital dhobies.

2) As two dhobies have offered the same lowewt rates and as it would be advantageous and convenient to engage two dhobies instead of one for both the Hospitals, the District Medical Office recommends that the tender of Juliana D'Souza may be accepted for

for the Government Headquarters Hospital and that of Mary D'Souza for the Government Lady Goschen Hospital, Mangalore. I agree with him and request that the Government may be pleased to sanction the acceptance of the tenders accordingly for the period from 1-1-53 to 31-3-54, so that future contracts may be kept in force for a full financial year as in the case of other contracts.

Yours faithfully,

For Director of Medical Services.
